

# Tokyo International Conference on African Development (TICAD7) Official Side Event

## “The Symposium on the Artisanal Diamond Mining in West Africa”

**Free**

More than one million people are engaged in the artisanal mining worldwide with the majority in Africa. The artisanal diamond mining has many issues such as human rights violation, labor issues, environment. We will watch the short documentary movie “Voices from the Mine,” listen to what experts say, and discuss about how these issues can be alleviated. Feel free to join us! You don't need an ID pass for TICAD7 to participate in this side event.

**Moderator :** Prof. Takeshi Ito (Osaka University) ,  
**Speakers :** Prof. Kenji Isezaki (Tokyo University of Foreign Studies),  
Chie Murakami (NGO Diamonds for Peace)
